Our Philosophy:

The game of basketball is won by those who are able to master its fundamental concepts while playing as a team.

Over the course of the four days that our camp is in session, we hope to improve and build upon your son's existing knowledge and awareness of the game of basketball while creating a positive learning environment.

As a staff we believe that it is these fundamentals that will allow Waterloo West Basketball to take a step forward and these same fundamentals that will allow your child to reach their full potential.

About the Camp

This four day camp is designed to work on the more individual aspects of the player's game emphasizing the importance of developing and maintaining the proper fundamentals of the game of basketball.

Throughout the camp players will receive instruction on shooting, passing, ball handling and their defensive stance.

The camp participants will move station from station receiving instruction from coaches as well as being lead by current Wahawk varsity basketball players as camp counselors.

The camp will be run from the 18th-22nd of June and the time that it will be held will be from 9 AM-Noon on the days that the camp is in session.

The overall cost of the camp will be \$40 which includes the camp tee-shirt. Make checks payable to West High Athletics.

If you have questions or comments, you can reach me at 319-610-8245 or the school at 319-433-2700.
